

# Egyptian & Dudley House

Newsletter Issue 02  
September WC 16-10-2023

## Project Overview

Welcome to our second bi-weekly newsletter for our Fit-Out project at Egyptian & Dudley House.

8Build will be on site for the next 71 weeks and the aim to cause you as minimal disruption as possible and keep you regularly updated with progress on our works.

We are currently in the 4<sup>th</sup> week of out of a 15 week strip out programme of works. We have progressed strip out on levels 1 & 6 of the building removing both flooring, walls and ceilings. As part of these works, we have erected a small scaffold at the front of the building to allow for materials to be taken to the level 1 terrace, this is due for removal within the coming weeks.

The next milestone on the project is the upcoming UKPN installation (building electrical supply) this will commence on the 9<sup>th</sup> November at the front of the building.

We are also targeting the 14<sup>th</sup> November as the commencement date for the scaffold gantry at the front of the building (this is dependent on the bus stop and road marking relocation on Piccadilly).

### Contact Details

It is our intention to minimize any nuisance or disruption. If you have any questions, concerns or suggestions please contact:
