

PROJECT NEWSLETTER

Egyptian and Dudley House: 169-173 Piccadilly

Week Commencing 16th September 2024 | Issue No 26

Dear Neighbours,

8build would like to thank you for your continued patience and give you an overview of upcoming works on the Egyptian and Dudley House project.

Client:
GPE

Contractor:
8build

Start of Works:
September 2023

Estimated Completion:
April 2025

Site Hours:
8:00am – 6:00pm Monday to Friday

Please note, 8Build are working to Westminster City Council's noisy working guidelines, which allow noisy works within the following periods:

* 08:00 - 10:00 * 12:00 – 14:00 * 16:00 – 18:00

However, 8build acknowledge that all construction works can be disruptive, particularly in areas adjacent to party walls, and are making every effort to balance programme progress with consideration for our neighbours. With this in mind, we have temporarily reduced the three allowed periods to the two below whenever possible:

* 08:00 – 10:00 * 16:00 – 18:00

Requests for a quiet period to accommodate a particular meeting or similar, can be considered but not guaranteed. However, this would need to be provided with sufficient notice to allow 8Build to re-schedule and re-plan work so as not to delay the programme and cause inconvenience to all parties.
